
User Support & Campus Grids

Top of meeting notes **August 18, 2018**

Rob Gardner • University of Chicago

Weekly OSG User Support and Campus Grids meeting

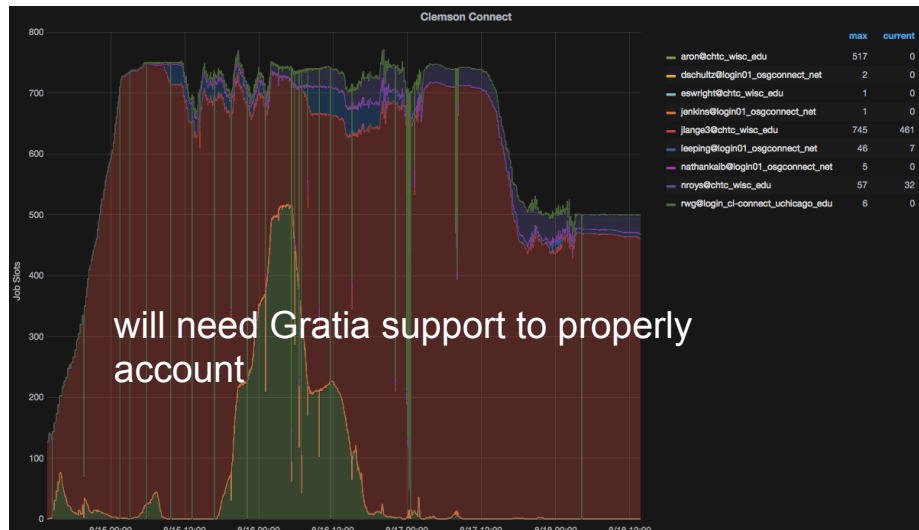

Open Science Grid

Clemson (via Connect) Status

highlight!

flocking steadily from login.osgconnect.net, ci-connect.uchicago.edu AND chtc.wisc.edu

Rocky Mountain Advanced Computing

- Last week attended RMACC HPC symposium
 - <https://www.rmacc.org/HPCSymposium>
 - <http://www.slideshare.net/rwgardner/open-science-grid>
- Lots of interest from both user and provider prospective
- To follow-up:
 - Utah, CU Boulder, Wyoming, New Mexico State

USCG - Events & Related

- IEEE Cluster - Chicago - Sep 8-11, 2015
 - Campus Bridging Workshop: Sept 8 (<http://pti.iu.edu/cluster15cb/>)
- Internet2 Tech Exchange Cleveland: Oct 4-7
 - Campus Roundtable, Oct 5 (<https://goo.gl/f9Yu6i>)
 - FreeSurfer on OSG showcase
- Joint Software Carpentry - OSG Workshop
 - Duke University, October 27,28,29 2015
 - Hotel rooms reserved
 - Circulated draft curriculum - need to finalize soon!

Odds -n- Ends

- We seem to be institutionalizing the helpdesk:
 - Lots of interaction now
 - Whats still needed
 - We still can activate Chat
- User website is still work in progress
 - UC Lab HS student \Rightarrow Northwestern undergrad CS major working on it
- Coming back to metrics
 - In two weeks I'd like to revisit area metrics,
institutionalize reviews in our weekly meetings
